

HALLOWEEN GOODIE BAG

For anyone who has not previously decorated a bag to be delivered in October, here is how this works.

After you turn in your finals package form with payment, you will receive a brown paper bag to decorate. Take it home and have fun. Decorate the bag any way you want, from the elaborate to the sedate. This is a lot of fun and our kids really enjoy getting in the spirit of season.

Customize it to you and your child's taste. Make it yours. Explore the possibilities. Remember your younger days, get your fingers sticky. Each student you sign up, you will decorate a bag for them. So get in the spirit of things and do your child's friends also. Everyone likes a nice surprise!

Then bring your decorated bag(s) to the regular October meeting and we will fill them with all kinds of goodies. If you can not make it to the meeting, please call and make arrangements.

The fun comes when we load them up in cars and caravan to the campus and hand out the bags to the kids. Come and enjoy the fun!

(Please note the three deadline dates on the goodie bag sign up form.)

Thank you!
