

Howdy New Aggie Moms
Welcome to
The Finals Package Group
2011-2012

Three times during the year we provide our students with a care package filled with supplies and love; once during Halloween and twice during finals week.

You can have your student/friend/relative receive these care packages by filling out a form with your students and/or friends name and turn it in with your payment. Form can be picked up at Howdy Coffee, monthly general meeting, or printed off online. You can order one, two, or all three for the whole year. Bags must be ordered before each upcoming deadline. For Halloween, you receive a bag to decorate, as you would like for your child or a friend. Bring your decorated bag to the October meeting and we will fill it full of goodies. For December and May, the club purchases a special item for the bag.

As a club, we deliver the bags to the campus and hand them out to the students all day long. If you come and help out, you can have lunch with your child, have them show you around, and catch up on things. Our kids love the surprises and it is a lot of fun for everyone.

This is also a time to give from the heart. Buy an extra bag and give it to a child you know or don't know. We have so many students who walk up while we are delivering the bags, and ask if we have extras. There is always another child out there that needs to be mothered.

The final package committee members are Vickie Benkendorfer, Jane Collamer and Leslie Carpenter. If you have any questions please contact one of these ladies.
